

Financial Literacy Training

Testimonials

EMERGE CLIENT

"It's hard to pick what part of this course I needed most, getting a handle on debt, planning out how to spend, or preparing for retirement. It was all so good. Thank you!"

EMERGE CLIENT

"This course helped me examine a relationship with money I was not aware of. I'm excited to move forward spending and saving in a way that reflects my values."

Training Outcome

- Understand our current relationship with money and the attitudes and beliefs that hold us back.
- Rewrite your money narrative and cultivate a healthy relationship with money
- Create and implement a Conscious Spending Plan (AKA budget!)
- Build and maintain good credit
- Pay off debt efficiently and effectively
- Save and invest for the future

What You Will Get
